To the AAA:

I would like to request a permission to publish in Brazil a Portuguese translation of the following article:

Ernst Mayr, "Darwin and the evolutionary theory in biology". In: *Evolution and anthropology: a centennial appraisal*. pp. 1-10. Washington, D. C.: The Anthropological Society of Washington, 1959.

Could you please forward me to whoever is in charge of reprints and permissions?

Yours sincerely,

Karine Rossi Pereira
